# Recommendation of Marwa Habibi

Dear selection committee,

It is with great pride and confidence that I, Nargis Ebrahimi, an English language instructor, recommend Marwa Habibi for academic advancement. Marwa has been one of the most exceptional students I have had the privilege of teaching, and I am confident in her potential to succeed in any academic environment.

Marwa exemplifies resilience, determination, and intellectual brilliance. Despite facing considerable social and environmental challenges, she has never allowed these obstacles to limit her aspirations. Instead, she has consistently turned hardships into opportunities for personal and academic growth, demonstrating a level of maturity well beyond her years.

In my English classes, Marwa consistently displayed advanced language skills. Her pronunciation is impressively close to native-like, and she articulates complex ideas with clarity and confidence. She participated actively in discussions, often bringing insightful perspectives that elevated the learning environment for everyone. Her curiosity, communication skills, and positive attitude made her a role model among her peers.

What truly sets Marwa apart is her strong character and sense of purpose. She is highly disciplined, responsible, and driven by a desire to contribute positively to the world. Her global perspective and commitment to learning reflect a deep understanding of the challenges and opportunities in today's interconnected world.

For these reasons, I highly recommend Marwa Habibi for any academic program, scholarship, or international opportunity. She will bring dedication, insight, and enthusiasm to any institution she joins, and I am confident she will continue to grow as a thoughtful, capable, and inspiring global citizen.

Sincerely,

**Nargis Ebrahimi**
